When the storm clouds clear,
America looks to Florida...

To Decide Our Nation's future

Powerful and destructive forces of nature have turned our lives upside down. Yet through it all, great acts of kindness and hope are taking place every single day.

Our government and an army of charities are doing everything they possibly can to ease the pain of loss and lift Florida and her people back onto their feet. It will take some time, but we will prevail and be made whole once again.

Today, we are faced with another tremendous challenge: to set aside all that has happened for a brief moment and focus on the future of our nation. We must do so for our children and grandchildren.

In less than a month, America will go to the polls once again to choose our nation's leaders. And once again all eyes are on Florida. Freedom is precious. Your vote is the foundation of that precious freedom. Don't waste it.

This year you can Vote by Mail. Use the attached Vote by Mail Request Card below to request your ballot. It's easy and the most convenient way to cast your vote.

America is looking to Florida. Vote by Mail and Vote Republican for leadership, hope and opportunity.
